## Helping you make the right choice.

When making the choice to move into long term care, it's important to see the home for yourself. What should you be looking for?

Revera has prepared the following checklist to help you gather and reflect on the information you need to make the right decision. Use it when visiting homes you're considering, to help you ask the best questions, assess the most important features, and make the most useful comparisons.

	Home 1		Home 2		Home 3
